Biographies

Rev. Marshall Lawrence and Dr. Terry Lawrence (PhD in Education) met at Anderson College, he in Christian music and broadcasting, and she in teaching and writing. Little did they know that God would also call them raise a deaf child and to start a ministry focused specifically in creating ministry resources for deaf children all over the world. Both are accomplished speakers and Christian education leaders and their life and ministry experiences will bring unique new perspective to our theme this week.

Terry Posthumus is an artist, activist and speaker from Oshawa whose music has been described as “rootsy”, engaging and delightful.

Jennifer Armitage has served with The Faith Mission in Canada for 12 years, Jennifer and Susan Bearinger will do the morning program with our children.

Mikaela Krueger grew up coming to our camp. Her love of children and creativity keeps the children excited about crafts and games each afternoon.
